

# Fundraisers

Increase your contributions by having your next fundraiser with us

You have done the dinners and the car wash, the prominent speakers, the bake sales, raffles and auctions. They all work. How about trying something new. Rent all or part of our facilities and let your clients have a great time bowling and or playing pool.

Raise some money for your organization, a needy person , family or group, a political candidate, sports teams or leagues, a business, school or whatever you desire.
